ABOUT US

The International Facility Management Association (IFMA) was founded in 1980. Today it is the world's largest and most widely recognized international association for facility management professionals. The Denver Chapter of IFMA was founded two years later in 1982, making it one of the original chapters since IFMA was established. Since the chapter was established, it has been the largest chapter in the state of Colorado and ranks the 8th largest chapter in the world. In the past decade, the chapter has won numerous IFMA's Awards of Excellence as a large chapter to include: 2007 Website, 2008 Membership, 2009 Professional Development, 2009 Large Chapter of the Year, 2010 Newsletter, 2011 Website, 2011 Membership, 2014 Professional Development, 2016 Professional Development, 2018 Government Affairs and 2019 Facility

Earn recognition for your expertise

IFMA’s premier credential for experienced facility professionals.

The Certified Facility Manager® (CFM) credential sets the industry standard for ensuring the knowledge and competence of practicing facility managers as the most respected and recognized global credential in facility management.

IFMA’s certification process is designed to assess competency in the field through work experience, education and the ability to pass a comprehensive exam that cover 11 competencies:

1. Communication
2. Emergency Preparedness and Business Continuity
3. Environmental Stewardship and Sustainability
